

Advanced Health Chiropractic **REMAINS OPEN** during this time.

We are in constant contact with the ILDPH (Illinois Dept of Public Health) and are strictly adhering to both the CDC (Center for disease control) and their guidelines regarding sanitization and social distancing within the clinic.

We have fortified our already rigorous cleaning protocols and have a limited number of patients in the office at one time to adhere to both the WHO (World health organization), federal recommendations, and recommendations of the CDC.

As a chiropractic clinic in the state of Illinois, Advanced Health Chiropractic is an **ESSENTIAL NON-EMERGENCY** health care clinic. It is the state's view that by staying open, and treating neuromusculoskeletal pain, we can assist and ease the burden that urgent care and ER facilities are already under.

Your health, and that of our community, is of the utmost importance to us and is the driving factor behind how we are operating in these unprecedented times.

If you or anyone you have been in contact with is showing any signs or symptoms of the Covid-19 virus then please follow all necessary precautions nationally advised and immediately seek medical help.

We have **modified our hours of operation**. We will now be closing at **6:15 pm**, with the last appointment time being **5:30 pm**. Modified hours are as follows;

Monday- 9 am-12 pm; 3-6:16 pm.

Tuesday- 3 pm-6:15 pm.

Wednesday- 9 am-12 pm; 3 pm-6:15 pm.

Thursday- 3pm-6:15 pm.

Friday- 9 am-12 pm.

In addition, we are now providing all current and former patients of Advanced Health **telemedicine services**. You will be **receiving a text and/or email** with those details on **Friday, 3/27**. Please also check our face book page, Instagram and newsletter for the same details.

We truly appreciate all our patients and want to thank all of you for the trust you place in us on a daily basis. We will continue to be a resource for you all in regard to your spinal health, and look forward to working with everyone to get through this unprecedented time.
